

Piesa lipsă stătea singurică...

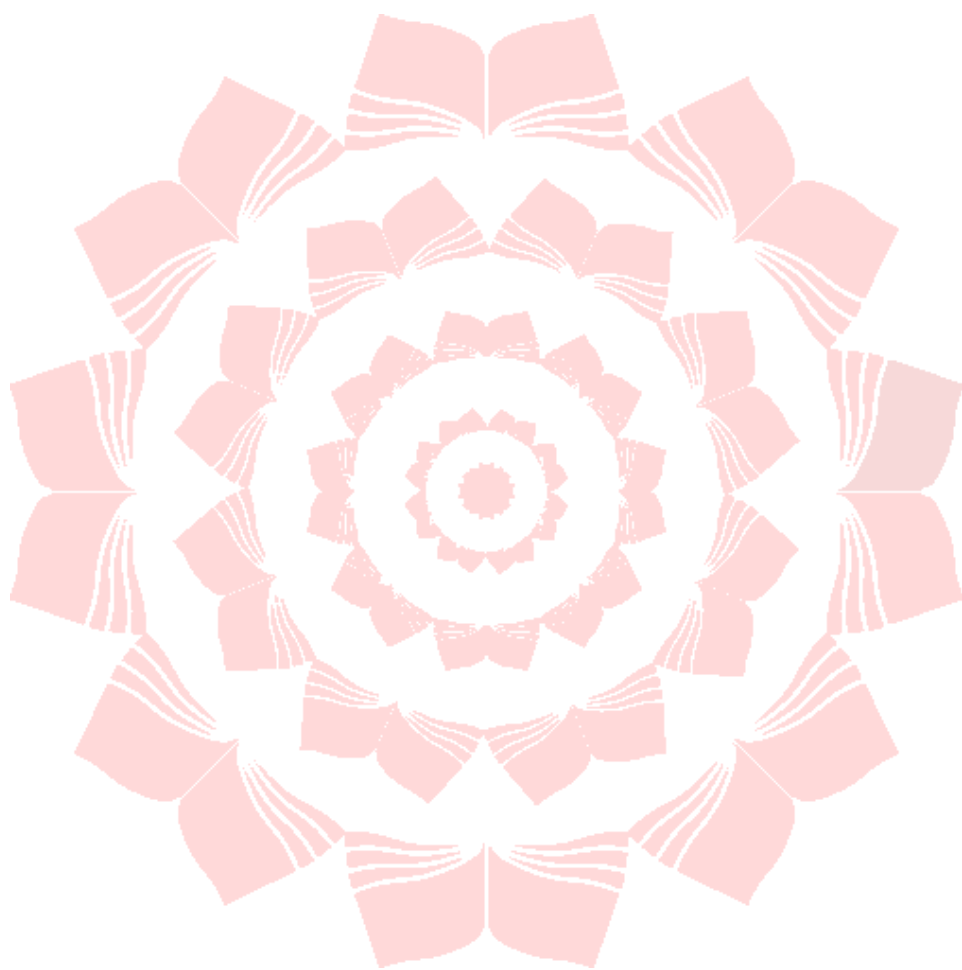

și aștepta
să vină cineva
și s-o ia de acolo.

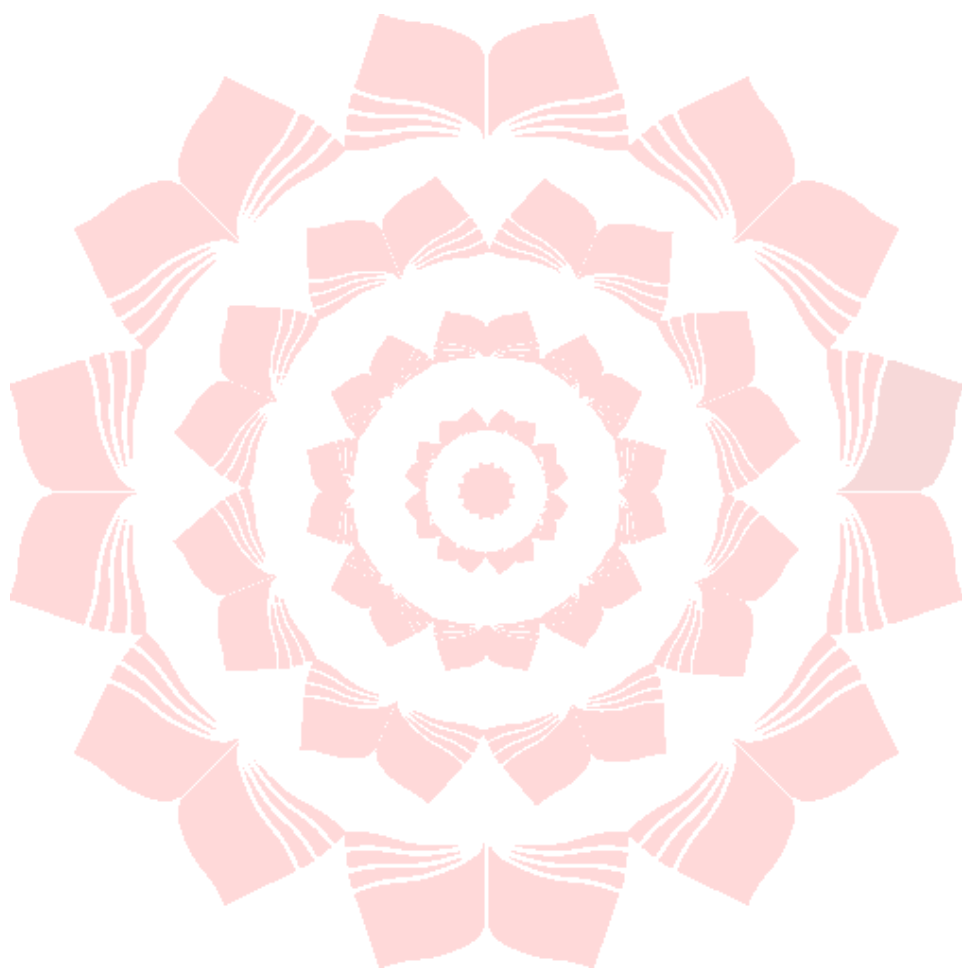

Cu unii se potrivea...

dar nu se putea mișca.

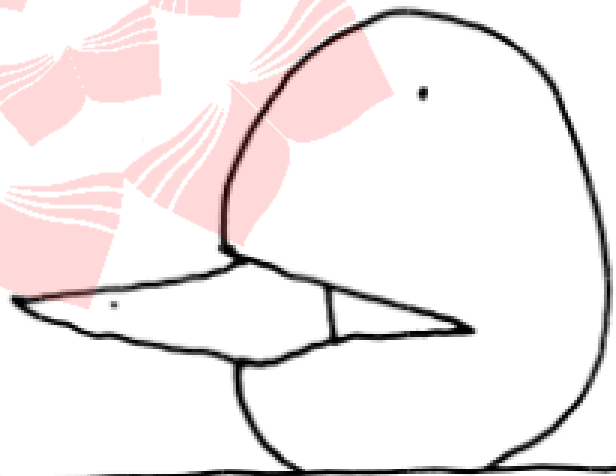

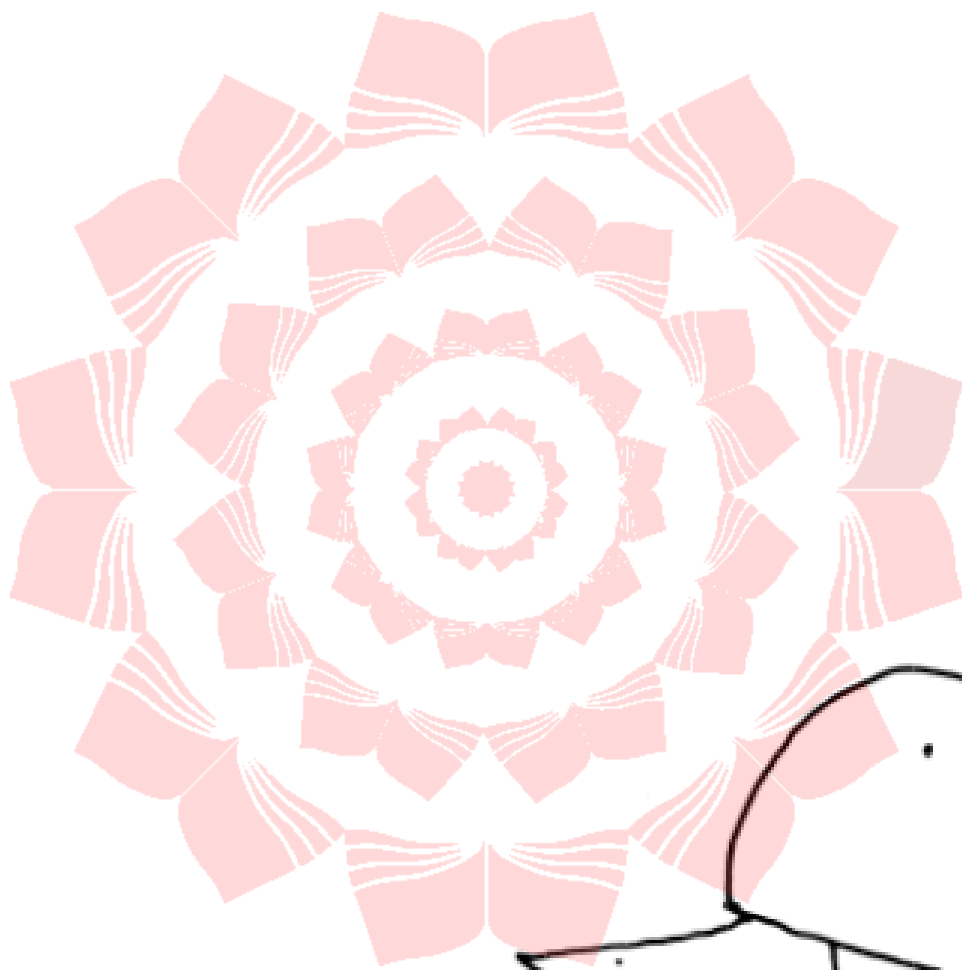

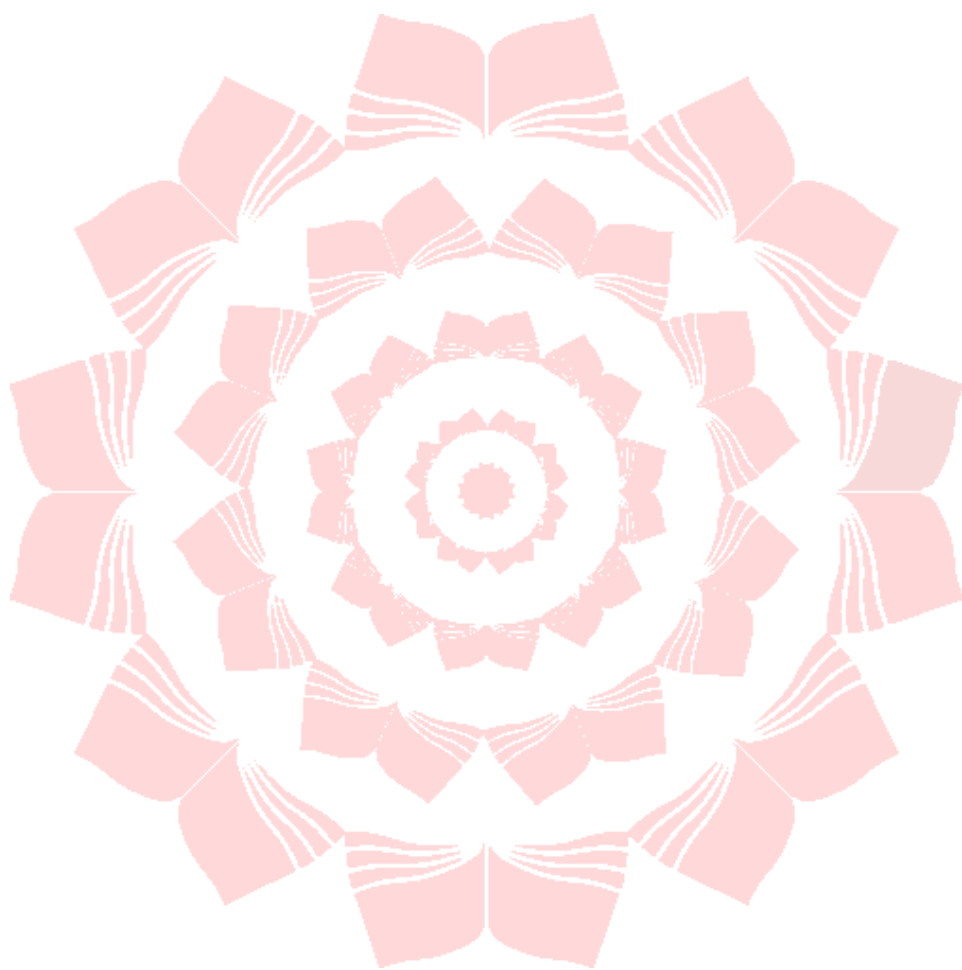

A pink mandala with a black outline of a bird's head and neck. The mandala is a complex, multi-layered geometric pattern in shades of pink. The bird's head is a simple black outline with a small black dot for an eye and a pointed beak. The background is white.

Cu alții s-ar fi putut mișca,
dar nu se potrivea.

Unul habar n-avea ce-i aia
să te potrivești cu cineva.

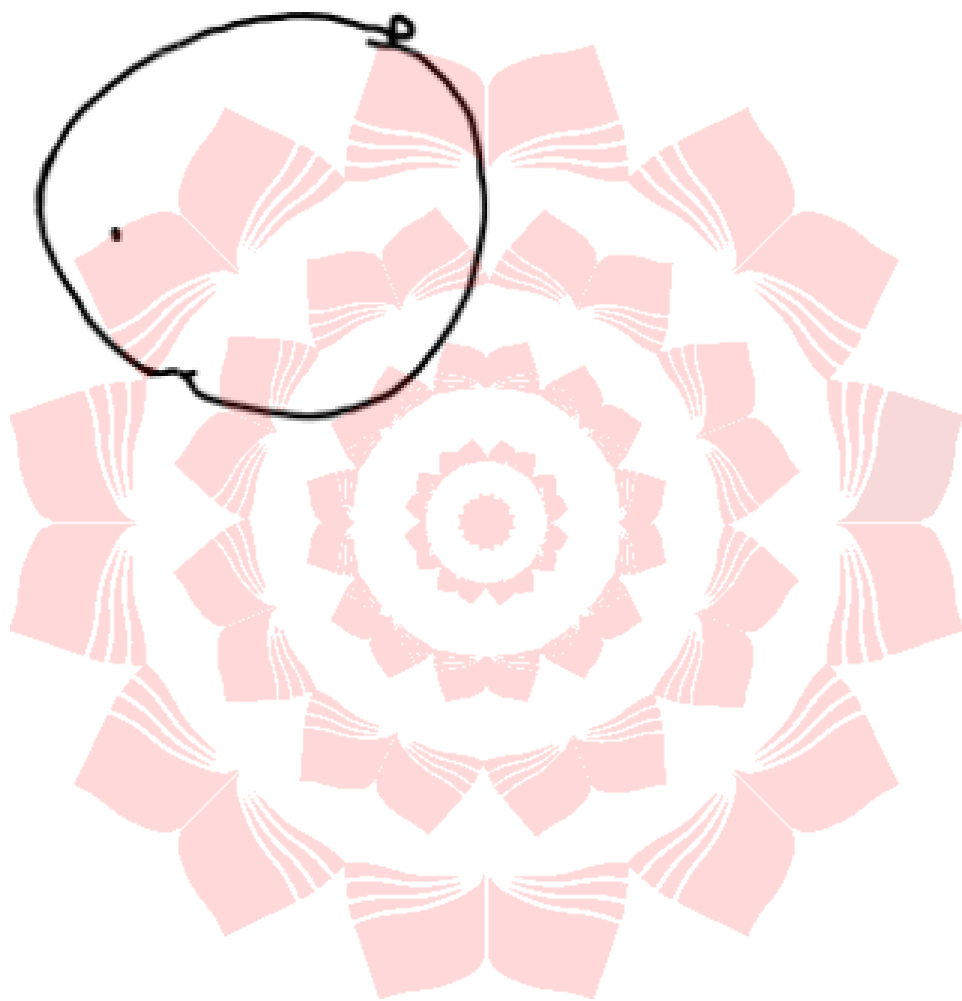

Iar altul
habar n-avea
de nimic.

Unul era prea sensibil.

POC!
